### **Project team**

John Richardson, University of British Columbia

Jim Buttle, Trent University

Sarah Gergel, University of British Columbia

Karen Kidd, University of New Brunswick

Paul Sibley, University of Guelph

Dave Kreutzweiser, Canadian Forest Service

Marian Weber, University of Alberta

### **Abstract**

I provide technical and administrative support for Theme 2 research operations. This includes analyzing and interpreting data, writing and revising reports and manuscripts, and facilitating communication among the Theme 2 investigators, collaborators and HQP.

**Keywords:** data, analysis, reports, communication, organization

### **How does your project link to Canadian aquatic ecosystem services?**

I help support all the Theme 2 projects, which are investigating how disturbances in forest ecosystems affect aquatic ecosystem services.
